

## CSAP -- PPG Measures (Source 3-12-04 Augie Diana)

Below is the full set of prevention performance measures identified by CSAP, many of which have been pilot tested by States through CSAP's State Incentive Grant program.

- The PPG Core (required) Measures are listed on page one
- Developmental measures (shaded) are those still under development
- Optional measures follow on pages 2 & 3

<b>PPG CORE MEASURES – CSAP</b>		
<b>Title</b>	<b>Description of Measurement</b>	<b>Source/Tool</b>
<b>1. Core CAPACITY Measures</b>		
<b>Demographics</b>	Number of people served by: age, gender, race, ethnicity	MDS or compatible system
<b>Service Count</b>	Number of Services, by service types	MDS or compatible system
<b>Programs and Strategies</b>	Total number of programs and strategies funded by PPG	MDS or compatible system
<b>Evidence-Based Programs and Services</b>	Number and percent of the programs and strategies that are evidence-based	Tool to be developed
<b>2. Core EFFECTIVENESS Measures</b>		
<b>Illicit Drug Use</b>	Youth who have not used illicit substances in the past twelve months (excluding alcohol and tobacco)	Monitoring the Future Survey (12 <sup>th</sup> Grade Only)
<b>30 day substance use</b>	PPG Program Participants whose ATOD use stays the same or declines, from pre thru post survey	Monitoring the Future Survey
<b>Perceived harm/risk of use</b>	Perceived harm/risk of use by PPG Program Participants	Student Survey of Risk and Protective Factors
	Perceived harm/risk of use by National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>Attitude toward use</b>	Attitude toward use by PPG Program Participants	Student Survey of Risk and Protective Factors
	Attitude toward use by National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>Availability</b>	Reduce provision of illegal substances thru:	
	Retail Sales of Alcohol to underage population	Retailer Compliance Checks
	Retail Sales of Tobacco to minors	Annual SYNAR Retailer Violation Rates
	Non-retail availability of illicit Drugs	Tool to be developed

<b><u>OPTIONAL MEASURES - CSAP</u></b>		
<b>Title</b>	<b>Description of Measurement</b>	<b>Source/Tool</b>
<b>3. Optional CAPACITY Measures</b>		
<b># of Coalitions</b>	Number of Drug-Free Coalitions	Tool to be developed
<b>Workforce development plan</b>	Existence of a plan; share any details of the plan	Tool to be developed
<b>Assess needs</b>	Needs Assessment system in place; share any details	Tool to be developed
<b>Evaluate &amp; report</b>	Evaluation system in place; share details	Tool to be developed
<b>4. Optional EFFECTIVENESS Measures</b>		
<b>INDIVIDUAL/PEER DOMAIN</b>		
<b>Resistance/ Refusal Skills</b>	PPG Program Participants	Tanglewood Research
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>Perceived peer use</b>	PPG Program Participants	Tanglewood Research
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>FAMILY DOMAIN</b>		
<b>Perceived parental attitude</b>	PPG Program Participants	Student Survey of Risk and Protective Factors
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>Family management</b>	PPG Program Participants	Student Survey of Risk and Protective Factors
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>SCHOOL DOMAIN</b>		
<b>School bonding</b>	PPG Program Participants	Student Survey of Risk and Protective Factors
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>COMMUNITY DOMAIN</b>		
<b>Perceived availability</b>	PPG Program Participants	Student Survey of Risk and Protective Factors
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
<b>Perceived norms</b>	PPG Program Participants	Student Survey of Risk and Protective Factors
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey

<b>ENVIRONMENTAL DOMAIN</b>		
<b>Availability (Social)</b>	Non-retail provision of alcohol	CMCA Survey
	Non-retail provision of tobacco	Tool to be developed
	Provision of illicit drugs	Tool to be developed
<b>Norms</b>	Public Support of Regulation	Tool to be developed
	Restrictions on Promotions (e.g. specific market niches)	Tool to be developed
	Attitude toward use (Community)	Student Survey of Risk and Protective Factors for PPG Program Participants NHSDUH or Other Survey for Comparison Group
	Perceived harm/risk of Use	Student Survey of Risk and Protective Factors for PPG Program Participants NHSDUH or Other Survey for Comparison Group
<b>Possession, Use and Consumption</b>	Restrictions on Contexts	Tool to be developed
	Perceptions of Getting Caught	Tool to be developed
<b>SUBSTANCE ABUSE DOMAIN</b>		
<b>30 day use of select substances (tobacco, alcohol, &amp; marijuana)</b>	PPG Program Participants (Indicated Programs)	Monitoring the Future Survey
	National Sample of Youth as Comparison Group	NHSDUH or Other Survey
